CONTENT

T-BERD/MTS 2000 Base Unit

➢ Last official release. The product is end of life since January 2019 and will be supported in service for again 4 years. However, the future software releases won't be compatible with the legacy T-BERD/MTS 2000.

OTDR

Improvements

➢ Fix the issue related to the duplication of .pdf report files
➢ Add average loss of the OTDR measurement in the test reports (.pdf)
